

Cositt Report Watermark

Manual de usuario — captura real de este entorno de desarrollo (Odoo 19, cositt_plugins_dev).

Marca de agua "BORRADOR" en un reporte PDF real

Texto de marca de agua visible en el HTML/PDF generado para el reporte "Introspection report on objects" (base.report_irmodulereference, del propio módulo base). Confirmado también con un render real contra el binario wkhtmltopdf: PDF válido generado sin errores.

BORRADOR

2025-09-17 10:43

My Company

Introspection report on objects

Module Name Version Directory Web

base Base 19.0.1.3 base

The kernel of Odoo, needed for all installation.
